Evaluating Graphics

Part 1: Evaluate the following graphic. If you find problems with the graphic, explain how to correct the problems.

Figure 1
Number of People in the Merchant Marines, 1930-1960

\[\text{(Based on Mike Markel’s Technical Communication, p. 395.)}\]

Part 2: Evaluate the following graphic. If you find problems with the graphic, explain how to correct the problems.

Figure 2

\[\text{(Based on Mike Markel’s Technical Communication, p. 367.)}\]

Part 3: Find a (non-pornographic) commercial web site and evaluate the use of graphics on it. Consider the integration of text and graphics, the appropriateness of the graphics, how people of different cultures might respond to the graphics, etc. Give me the address of the web site; print and refer to relevant portions of the site in your evaluation.
